Paint Correction Training Course

EPD offers a one (1) day hands-on training course for automotive paint correction. This is a basic skills class that focuses on a two-stage correction process and is taught using a dual action machine. Although paint correction can be taken to extreme levels, this class will help prepare you to repair mildly damaged paint to the point where 3M Ceramic Coating can be applied.

This course does not include ceramic coating training. However, we encourage you to take our ceramic coating course in conjunction with our paint correction course.

The price of the course is \$395.00 per person and includes:

- Lunch

Class begins at 8:30 AM and ends at 3:30 PM each day. (All times Eastern.)

Training is conducted at our training center which is located at:
